**Subject: INTERNSHIP COMPLETION LETTER**

Dear Dinesh,

We are pleased to certify that **Mr. Vankam Dinesh** has successfully completed his **6-month internship** with **Invictus Defence Systems**, in the **Computer Vision Department**, from **December 2025 to May 2026**.

During his internship, he worked on **Computer Vision and Machine Learning applications**, contributing to the development and implementation of vision-based solutions. His responsibilities included working with image and video data, developing computer vision algorithms, performing image processing and analysis, and supporting the integration and testing of vision-based systems.

Throughout the internship, Dinesh demonstrated a strong willingness to learn, problem-solving ability, technical skills, and a professional attitude. He worked effectively with the team and successfully completed the responsibilities assigned to him during the internship period.

We appreciate his contributions to **Invictus Defence Systems** and wish him continued success in his future academic and professional endeavors

Best Regards,

Moksh M Surange
